| Downey, Tom          | 12.11        |

Congratulations **Matt**.

Points are based on a system that tracks wins and losses giving higher credit for higher courts. The stats of subs don't count toward the points for each player. So whether you had a sub, or you served as a sub, those points don't affect your season points results (and aren't included in the #games above either).

### B. Most Improved (based on change from prior season's ratings or, if a new player, initial expectations)

|          |                        |              |
|----------|------------------------|--------------|
| <b>*</b> | <b>Romero, Alberto</b> | <b>+2.19</b> |
|          | Levy, Bob              | 1.89         |
|          | Jonz, Jon              | 1.51         |
|          | Michelson, Edie        | 1.27         |
|          | Lerner, Gary           | 0.99         |
|          |                        |              |
| *        | Strutz, Tom            | 0.90         |
| *        | Bedell, Joey           | 0.79         |
|          | Freed, Justin          | 0.75         |
|          | Weber, Doug            | 0.45         |
| *        | Sonnenschein, Canaan   | 0.41         |

Great job guys.

\* These 4 were my four picks for most likely to improve from before the season. See new list below

Eleven of the 23 players ended up with rankings higher than before (or than expected), the top ten of which are shown above. And 11 of our 23 players had rankings lower than before (or than expected).
