### A1. Highest Rated Players – THIS SEASON (top 10)

| <b>Urshan, Andrew</b> | <b>14.88</b> |
| Lerner, Gary          | 14.44        |
| Nolan, Tim            | 14.23        |
| Sonnenschein, Canaan  | 14.03        |
| X Olagbegi, Charles   | 13.97        |
| Ray, Kevin            | 13.73        |
| Roddy, Dan            | 13.67        |
| Fagala, Matt          | 13.56        |
| Hawkins, Steve        | 13.51        |
| X Freed, Justin       | 12.63        |

Congratulations **Andrew**. Andrew's 14.88 was the highest rating since Chris Hahn in Spring 2010.

Points are based on a system that tracks wins and losses giving higher credit for higher courts. The stats of subs don't count toward the points for each player. So whether you had a sub, or you served as a sub, those points don't affect your season points results (and aren't included in the #games above either).

- o Five Guys Burgers and Fries award – Trevor Reese – for all the times he says "love-five guys"
- o Most articulate score announcement – Zev Yudovich. Zev also gets the most-likely-to-say-players-names-when-calling-the-score award.
- o Best "Tween" – Matt Fagala (for being most likely to hit winner between the legs rather than getting a badly bruised ankle bone).
- o Sneaky-Pete Award – Chip Brewer, Mark Roddy, Dan Roddy, and Jon Michelson (for players with so much guile that you want to pull your hair and other body parts off)

Thanks folks for the suggestions (which make up most of the content in "F").
