Summer 2018 FLakey Awards

Note: To be eligible for awards A, B, or C, a player has to be a scheduled player (not just a sub) and has to have played at least 3 times for self (not as a sub). Results below exclude weeks for players during which they played as a sub.

X↓ = not eligible

A1. Highest Rated Players – THIS SEASON (top 10)

Cheyney, Drew	15.03
Nicholl, Jack	14.70
Edsen, Jerry	13.96
Sonnenschein, Canaan	13.74
Compton, Greg	12.99
Brewer, Chip	12.79
Leuther, Tim	12.51
Robinson, Brian	12.21
Nolan, Tim	12.21
Van Horn, Doug	12.02

Congratulations to new player and champ, **Drew** as the winner of the Urshan/Lerner Award.

Congratulations too to Jack Nicholl as a silver medal winner.

Drew and Jack were separated by just 0.01 points headed into the Summer's final week. Drew had 14.71 to Jack's 14.70. And, the two were scheduled to face off (for just the second time in the season) on the final week. Alas, Jack had to get a sub (freezing his rating at 14.70, and Drew dominated on the top court, ballooning his rating to 15.03.

Ratings in the Summer are typically squashed somewhat due to the frequent use of just 4 courts. By comparing Drew's 15.03 to other Summer high ratings (all shown below), you can see the extent to which he took over MNT this past season. Also see total Win% shown in Section C, below.

Points are based on a system that tracks wins and losses giving higher credit for higher courts. The stats of subs don't count toward the points for each player. So whether you had a sub, or you served as a sub, those points don't affect your season points results. [FYI, if you're really curious about this, I do have ratings and results available that include "as-a-sub" results.]
