Congratulations to **Tim Nolan** as the winner of this past season's Urshan Award. Tim joined the league in mid-2014 and had only a couple runner-up finishes in his first 15 seasons. But, this marks his FIFTH win in the last six seasons. What's more Tim's 15.51 rating is the highest ever since the long list below started. It supplants Chris Hahn's 15.25 record that stood for over 12 years.

Congratulations too to **Ben Meyer** as a silver medal winner.

Points are based on a system that tracks wins and losses giving higher credit for higher courts. The stats of subs don't count toward the points for each player. So whether you had a sub, or you served as a sub, those points don't affect your season points results. [FYI, if you're really curious about this, I do have ratings and results available that include "as-a-sub" results.]
