Congratulations to **Mike Blechle** for his first time winning the Urshan Award.

Congratulations too to **Ben Meyer** as the silver medal winner.

Points are based on a system that tracks wins and losses giving higher credit for higher courts. If you had a sub, his results that week don't affect your ratings here. But, if you served as a sub, those results do flow here (for this season). [FYI, if you're really curious about this, I do have ratings and results available that exclude "as-a-sub" results.]
